

5th European Meeting on Animal Chlamydia and Zoonotic Implications

5th European Meeting on Animal Chlamydia and Zoonotic Implications (EMAC-5)

Dear colleagues,

On behalf of the Organizing Committee, we would like to invite you to participate in the EMAC-5 Meeting, which will be held in the Atlantic Garden Resort Hotel at Odesa, Ukraine from **October 3-5, 2018**.

The meeting aims to serve as the international forum for researchers, experts, veterinarians, medical doctors, and public health professionals, interested in all aspects of animal chlamydia. There will be scientific presentations / posters and discussions in a friendly atmosphere to exchange ideas and explore collaborations in the field of animal chlamydia.

This year, the meeting will be taking place in Odesa - one of the biggest cities of Ukraine located at the Black Sea. Odesa is a vibrant and picturesque city which is appreciated as a Ukrainian historical and vacation center with numerous stunning landscapes and further attractions.

Looking forward to meeting you in Odesa
On behalf of the Scientific Committee,
Prof. Borys Stegnyy
