

Dear Colleagues!
We invite you to participate in
the international scientific and practical conference
«**MODERN SCIENTIFIC APPROACHES TO THE MONITORING AND
CONTROL OF INFECTIOUS AND NON-INFECTIOUS ANIMAL DISEASES**»
which will take place on **November 3–4, 2026**
(online)

Organizers:

National Academy of Agrarian Sciences of Ukraine

National Scientific Center

“Institute of Experimental and Clinical Veterinary Medicine”

State Biotechnological University

D. K. Zabolotny Institute of Microbiology and Virology of the NAS of Ukraine

*State Institution “L. V. Gromashevsky Institute of Epidemiology and Infectious Diseases of the
National Academy of Medical Sciences of Ukraine”*

With the support of

the Threat Reduction Agency of the U. S. Department of Defense

Main Areas of Work:

1. Emerging and economically significant animal diseases of infectious and parasitic etiology: epizootiology, pathogenesis, biological properties of pathogens, biosafety, and anti-epizootic protection under martial law and during postwar recovery.
2. Innovative biotechnologies in veterinary medicine: modern methods of diagnosis, treatment, and prevention of animal diseases.
3. Non-infectious pathology, toxicology, veterinary and sanitary inspection, and the safety of livestock products.
4. Modern approaches to the development of animal husbandry, veterinary science, education, and international cooperation.

To help us put together the conference program, please send the titles of your presentations to the organizing committee by **October 1, 2026**, using the following format: presentation title; first name(s) and LAST NAME(s) of the author(s); name(s) of institution(s); email address. Links to join the conference and the conference program will be sent to participants no later than October 26, 2026.

The conference will be accompanied by the publication of the 112th issue of the interdepartmental thematic scientific journal “Veterinary Medicine” (Category “B” in veterinary medicine, animal husbandry, aquatic biological resources and aquaculture). Publication is free of charge. Requirements for article formatting can be found at: <https://www.jvm.kharkov.ua/rules.php>.

To ensure the timely compilation of the collection, please submit your articles to the organizing committee (nsc.iecvm.conference@gmail.com) by **September 15, 2026**.

We look forward to seeing you soon!

*Best regards,
The Conference Organizing Committee*
